

A HAND UP
RATHER THAN
A HAND OUT.

There are over 47,000 Veterans experiencing various stages of homelessness nationwide including many in the Sarasota/Manatee area.

We have made enormous progress in our partnership with the Department of Veterans Affairs and are determined to help meet the goal of ending Veteran homelessness.

Since the inception of the Operation Renewed Hope Foundation (ORHF) in 2011, we have assisted hundreds of Veterans each year.

- Secured suitable homes
- Helped prevent eviction by providing interest-free loans
- Provided transportation assistance
- Secured emergency medical and dental care
- Established employment referrals
- Coordinated free career and financial counseling

We actively seek grants and donations in order to assist homeless Veterans or Veterans facing eviction. We continue to raise money to purchase and renovate homes for these Veteran families. ORHF provides Veterans a chance to get back on their feet and succeed as a civilian...a hand up rather than a hand out.

We started this movement because we sincerely believe that Veterans deserve a second chance. We cannot do this alone. But together, we can.

Thank you again for your support!
